Modern Promo Presentation (Motionarray 879291) - AE Project

2025-02-10 17:10:43　　label 我要反馈　　下载页面

A neat and dynamically animated After Effects prototype with a trendy interface is a New Promo Show. It includes 8 placeholders for photos and 19 placeholders for content. The color can be changed. With this professionally crafted and elegantly animated AE template, wow your viewers. No needed plugins.
