White Pine Photography – Winnebago Presets Bundle: Over 90 XMP presets available for Lightroom Classic and ACR, with glowing highlights, as well as an assortment of warm tones as well as cool, green hues. Presets that work with different cameras and landscapes; mixing and matching is also acceptable! Enjoy!

Included Files:

- The Winnebago Preset Pack - XMP Presets for Lightroom Classic 7.4 and above and Adobe Camera Raw (ACR) new version
- It is the Winnebago Brush Set for Lightroom Classic 7.4 and higher, and ACR.
