

Global News Intro (Videohive 51939796) - AE Project

2025-02-10 16:51:33 [label](#) [我要反馈](#) [下载页面](#)

The Global News Intro Embrace the future of broadcasting with our cutting-edge project, fusing professionalism with dynamic visuals to engage audiences instantly.

How to design a project to introduce news in After Effects?

You can use "Global News Intro" to design your project.

Elevate your presentation with our Global News Animation, tailored for industry leaders. Features include compatibility with After Effects CS6 and above, effortless customization for text and color, and seamless integration of background loop animation, all without the need for additional plugins.

Package information

The After Effects project files for this content were last updated on April 29, 2024, and are compatible with After Effects versions CC and CS6.
