Sushi Titles for Premiere Pro (Videohive 53365384):

Sushi Titles is a Premiere Pro template featuring 8 charming, hand-drawn, sushi and food-themed titles.

Ideal for social media, restaurant promos, food blogs, and cooking videos, these vibrant cartoon-style animations add an Asian culinary flair to your projects.

With adjustable text and colorful labels, this template enhances lower thirds, badges, and footnotes, making your content fun and engaging.

Key features include cartoon text animations, full color controls, and compatibility with Premiere Pro 2021 and above.
