Motionarray - 25 Glitch Transitions is a transition pack featuring over 25 unique glitch animations with built-in effects controls.

It is user-friendly, requiring no advanced knowledge of Final Cut Pro X (FCPX), and supports both Full HD (1920x1080) and 4K (3840x2160) resolutions. Compatible with FCPX version 10.4.3 and above, the pack requires no additional plugins.
