NOTES:

All Of my presets are tested on many different pictures and they're very versatile. As a photographer & editor with over 15 years of Expertise, I utilize these tools to accelerate the workflow and then provide my pictures A cohesive style for the Blog & Instagram.

In Most instances, our presets are one-click but presets work differently every Picture (because of white balance/exposure) that you need to adjust the white Exposure & balance. If you want any help adjusting contact and that I will be Pleased to correct them to fit your images.
