The primary installation file with the restyle plugin helps you gain complete access to the entire package and focus on what you do best without worrying about further investments.

- **Support For All Systems:** Drag and drop any photos, videos, and designs from your folders into your software kit and get to work.
- **Time Efficiency:** Martin provides a thorough breakdown of the construction of the templates in the tutorials, giving anyone the means to understand how it all works.
- **Beginning-Level Friendly:** Anyone can use Martin's pack and make changes without prior knowledge of Adobe After Effects.
- **Step-by-Step Guide:** No need to download additional plugins or scripts; all that's needed is included within the purchased pack.
- **Quality Assurance:** The pack holds templates that change the aesthetics of any video and add an appealing touch to it.
- Allows for unlimited functionality without wasting your valuables.
- **Aesthetic Varieties:** Templates that are already designed can be directly applied, which enhances your productivity by streamlining your processes.
- **Creative Edge:** Your videos will have a uniquely polished and professional look.
