What is the Beauty of Nature Wedding Preset Collection

These presets are created by photographers or editing experts to give wedding photos a particular look or style. For example, a "Beauty of Nature" preset collection might be focused on enhancing the natural and romantic elements of wedding photos, possibly by adjusting colors, tones, and other aspects of the images to create a specific aesthetic.

These preset collections are often used to streamline the editing process, maintain a consistent look throughout a wedding album, or achieve a specific visual theme that aligns with the couple's preferences or the photographer's artistic vision.
