**Laptop Screen Display Website Mockup VH-47193156:** This brush set from Procreate mimics alcohol-based markers - they're translucent and ideal for layers, rendering, and blending. Create depth, dimension as well as shadows in your work.

The brushes are ideal for journaling, manga comics, storyboard illustration, interior design, fashion design, speed painting, and coloring for adults. Fourteen unique brushes include a colorless blended blender and a grain blend that mimics the ink of a marker on paper.
