

Gumroad – Braids Generator v5.0.1

2025-02-10 17:02:57 [label](#) [我要反馈](#) [下载页面](#)

This is a blend file and not an addon!

Tutorials with images for the most commonly asked questions!

For games:

Be aware that this will result in an unfinished mesh that must be unwrapped and rigged, as well as weight painted.

The shader is transformed into a texture after the modifier is placed and the mesh is removed from its wrap.
