

### Futuristic Music Covers Post (Videohive 32719320) - AE Project

2025-02-10 16:37:32    [label](#)    [我要反馈](#)    [下载页面](#)

**Futuristic Music Covers Post - AE Project 32719320:** Futuristic music covers post is a unique cover for After Effects music tracks templates. It's easy to create your own bright cover. Simply replace 8 images/video placeholders with text and add your name, group, or other information. This cover is so easy to use with the video tutorial. Finally, you'll have 8 strange new covers for promos or show music clips. No plugins

- 8 Scenes of post Instagram
- Color Control
- Video tutorial available
- **No plugins are required**
- High resolution (1080x1080).
