The Gouache MaxPack v2 offers 62 high-quality natural media brushes for Procreate, including 10 new brushes and significant improvements to existing ones. It caters to a wide range of artistic styles, from bold mid-century cartoon marks to delicate fantasy illustrations and loose plein air painting.

Key additions include the versatile Gouache Smooth, Gritty Series for dry brush effects, Bristle, Split, and Shredded brushes for dynamic strokes, and the Thin Series for layering washes. The set also features alternate Glaze variants for opacity control and the new 600 Series Pencil inspired by the Blackwing 602. Enhanced performance in Procreate Pocket for iPhone is included. Complementary brush sets like The Essential MaxPack, The Painter's MaxPack, and The Comics MaxPack are also available for a complete artistic toolkit.
