This action was tested on Photoshop (English Versions) CS4, CS5, CS6, CC, and CC+.

For best results, I recommend that you use the action on photos with high resolution.

### Use these instructions to take action:

1. Open Photoshop.
2. Click "Actions" on the "Window Tab". Once the window is open, you'll see an arrow in the upper right-hand corner. Click this and then click "Load Actions".
3. To load Brushes files, go to Edit > Preset > preset manager
4. To load patterns file, go to Edit > Preset > preset manager
5. Open your photo.
6. Create a new layer. Brush the photo area. The name of the layer is "brush". Use the soft brush recommended
7. You will only need to select your action and click on the play button.
8. You are done!
