### A COLLABORATION - BEBA VOWELS

Sometimes inspiration comes unexpectedly from unknown places. Other times it springs to life from the sheer joy of experiencing something. Beba Vowels Pack 02 was the result of a second chance at filmmaking. Beba returned to film after a few trips to Hawaii to shoot her personal work. She then created a collection of digital edits that reflected her original visions.

## Gfx plugin details of G-Presets – Beba Vowels Pack 02

The product is in the **Lightroom category**, for more information about this post you can click on the home page link in the sidebar.

The pack features true-to-life colors that evoke a sense of nostalgia. The best thing about this second Beba pack is its ability to work for all occasions. Yes, they work for everything. Portraits, weddings, and couples, as well as influencers and brand work. You can find everything from harsh light to dark nights, sunny days, golden hours to cloudy days, and even grumpy moments. It doesn't matter what you shoot, getting a polished and cohesive look in your feed and galleries is a must.

Beba Vowels Presets pack 02 includes 8 color presets and 2 BW presets. There are also 3 Haze Filters, 3 Haze Profiles, and a custom Creative Profile. (Please see \* below to confirm compatibility).

Below are before and after images that show how each preset alters an image with the same white balance and exposure.

These presets only work with Lightroom Classic CC (version 7.5) or later, Lightroom CC (version 1.3 or earlier), and Adobe Camera Raw (10.5 or later). You must update any editing software to ensure that the presets work with earlier versions.

- This preset pack does not include the Irtemplate files.
- These presets can only be used with RAW images and are NOT compatible with any of the above software versions.
- These are Desktop Presets (NOT Mobile Presets).
