

## Typography Text Animation (Motionarray 855172) - AE Project

2025-02-10 16:41:02    [label](#)    [我要反馈](#)    [下载页面](#)

Typography Text Cartoon is a professionally designed After Effects template which includes 9 unique full-screen title cartoons. They are really simple to use and everyone comes with its very own individual colour control including a rectangle span control and length control. Furthermore, in a single click you can turn off or on the name incline. Impress your audience with this clean and creatively animated AE template. No plugins needed. A thorough video tutorial is also included.
