What is AESTHETIC LIGHTROOM PRESETS?

Aesthetic Lightroom presets are pre-defined settings and adjustments used in Adobe Lightroom, a popular photo editing software, to create a specific aesthetic or visual style in photographs. These presets are designed to enhance the look and mood of images, often with a focus on artistic and visually appealing results. Aesthetic presets can be used by photographers, social media influencers, and anyone looking to achieve a particular look in their photos quickly and easily.

Aesthetic Lightroom presets are popular for creating a cohesive and stylish look for social media feeds, websites, and personal photography projects. They allow photographers and creators to achieve a consistent and visually appealing style in their images with ease.
