

Freelancer Working In Studio (Videohive 10938654)

2025-02-10 16:51:03 label 我要反馈 下载页面

In this photo, you can see a younger man (student, freelancer, image fashion designer, or innovative copywriter) working in his studio flat, loft, or corporate office. He has the best workplace: timber desk, big monitor, computer, laptop, wi-fi keyboard, and different innovative equipment needed. He is working very intensely, He makes use of two video display units at an identical time. He is typing with the keyboard and clicking the mouse.

The work he is doing should be innovative textual content writing, marketing thinking description, monetary calculations, or coming into statistics data. He additionally can be working online: programming, community safety, or conversation in social networks.

This is an ideal picture to illustrate topics like the day in the office, intensive working week, studio time, or ideal employee. Also, it is right with matters like new ideas, younger experts, or analyzing hard.
