

Fashion Promo (Videohive 31831865) - AE Project

2025-02-10 17:06:43 label 我要反馈 下载页面

- 1.
- 2.

The Fashion Promo template includes its resolution options (FULL HD and ULTRA HD), placeholders, compatibility with Adobe After Effects CC2019, frame rate, duration, and plugin-free usage.

It emphasizes the availability of free fonts and offers full control to users.

How to use templates and fonts to design advertising fashion in After Effects?

You can use "Fashion Promo" to design your project.

" Fashion Promo" Samples:

Package information
