Blind Audio Eternal Driving Techno (WAV): "Eternal Driving Techno" by Blind Audio brings you a collection of One Shot and Loops that are focused on the essential peak-time sounds that have a progressive melody. If you're in search of new and exciting sets of sounds for your next Techno production, you've come to the right place.

Each loop is rendered at 130bpm, and within the Key of G#m. You can mix and combine loops, or combine them with your own sound to create a completely unique sound. Blind Audio brings you only the most powerful sounds, using a wide range of sources, including traditional analog as well as digital synths live instruments, as well as high-quality field recordings.
