"Nothing is unique. Find inspiration from any place that inspires or inspires your imagination. Enjoy old and new music, films books, paintings poetry, photos as well as dreams, random conversations Architecture, bridges, trees, street signs, bodies of water, clouds as well as shadows and light. Choose only items you want to steal which speak directly to your heart. If you follow this method then your work (and the theft) will be genuine. Originality is a must; authenticity isn't there. Do not be shy about revealing your theft, but celebrate it when you feel like it. Whatever the case, keep in mind what Jean-Luc Godard wrote: "It's not where you take things from - it's where you take them to." Jim Jarmusch
