This feature is designed to make your image look the real Pop Art look. With this professional pack, you can transform ordinary images into ordinary photos. Simple to modify, non-destructive effects. This package contains 10 different Action 1 ATN Files, 1 Pattern File. Also included is an aid file in PDF format with instructions on how to load patterns and how to make use of the action.

This action was tested and it is working with Photoshop (English version) Photoshop CS3, CS4, CS5, CS6, CC+

File includes:

- 1 ATN File
- 1 Pattern
- Help File
- Learn me First Help PDF File

Make sure to work on each photo.

Excellent quality results.

Note that preview images aren't included.

Recommendation: To get the best results, make sure to use a photo of 2000-3000px.
