Modern Titles (Videohive 35139303) - AE Project

2025-02-10 17:09:43　　label 我要反馈　　下载页面

Modern Titles (Videohive 35139303) - AE Project: 32 unique modern text animations. Simple and modern style, a variety of titles, and precise customization make this pack a universal tool to use for any type of project. Text boxes and other elements will be autoscaled according to the text and can be customized in a matter of several minutes. The duration of titles is controlled by markers. Just move it around to set the In and Out points. In the flexible project, you can alter the colors and create elements that are smooth or gradient. It can be used for titles in modern corporate presentations film titles, bright intros, lower thirds video reel titles, typography infographics, or even as logos.

- 32 animated titles that are unique
- "In" and "Out" animations for titles.
- Text elements are automatically sized when changes in the text
- Works with any font.
- Simple and precise customization
- Change duration moving markers
- 4K 3840x2160, 25 FPS
- No plugins required
- PDF Help
