5 Mobile Presets TEQUILA SUNRISE (DNG, PDF): Edit your Instagram photos like a pro on your mobile device!

Mobile Lightroom Influencer Presetfor Influencers: Summer PUNCH contains five presets developed by travel and influencer bloggers all over the world.

This preset can be used for any kind of image that can deliver stunning results and will transform your images to appear a hundred times more appealing! Photographers take a lot of photos that are related to travel, fashion as well as lifestyle photos.

This premium preset can create stunning warm tones. It makes it simple to achieve the same feel and look like your top influencers!

This preset was created to be compatible together with Mobile Lightroom CC

- The Mobile Preset is the perfect match for the Lightroom Mobile app and works flawlessly with photos taken with the iPhone and an Android device.
- You don't need an Adobe subscription to use these presets. All you have to do is download the LR Mobile App and create an account with Adobe.
- These presets can be used with RAW as well as jpeg files. To get the most effective results, shoot RAW as well as apply presets on high-quality images which are well-lit.
