

Typography Titles for Premiere Pro (Videohive 52531361)

2025-02-10 16:47:17 [label](#) [我要反馈](#) [下载页面](#)

Typography Titles is a versatile template designed for creating engaging titles and dynamic text animations.

How to design attractive titles and dynamic text animations for city advertisements in After effects?

You can use "Typography Titles for Premiere Pro" to design your project.

It allows easy customization of colors and text to suit various styles, making it ideal for urban promos, modern presentations, social media content, and minimalistic lower thirds in documentaries or news segments. The template supports any font, includes full-color controls, and provides font links and a video tutorial. It is compatible with Premiere Pro 2021 and above, making it a valuable tool for editors seeking to enhance their productions with professional, visually striking typography.

Package information

Updated and published on June 3, 2024, the Typography Titles template includes Motion Graphics Template Files and is compatible with Premiere Pro CC and After Effects CC, featuring 21 text placeholders.
