### What is Summerana – Skies Overlay and Action Collection?

Summerana is a brand that specializes in creating photography resources, including overlays, actions, and other tools to enhance and streamline the photo editing process. The "Skies Overlay and Action Collection" from Summerana is likely a package with overlays and actions specifically designed to enhance or replace skies in photos.

Skies overlays can be added to a photo to change or enhance the sky. They often include various sky textures, cloud formations, and colors to give your photos a different atmospheric look. Conversely, actions are pre-recorded sets of editing steps that can be applied to a photo with a single click in Adobe Photoshop.
