Redemption Full Bundle Anonimal77 - Sound Effects: The more challenging home genres collect on Tchami's Tag'Confession' and we decided to recreate some of the sickest sounds, in addition to creating plenty of special sounds to enhance your imagination. The Redemption package is your greatest Confession design shredder Pack on the market and comprises Samples, 100+ Serum Presets, 3 Job Documents, MIDI's, and much more.

We discovered that a Whole Lot of manufacturers are Struggling with sound design, blending, inventing thoughts & more for your Design of Confession, but we have that covered in this audio library. So If you're interested in finding hard basses, mad drops & strong sounds, then This is the ideal soundset for you!
