Gumroad - The Watercolor MaxPack:

This Procreate brush set offers 75 highly realistic digital watercolor brushes designed for professional and creative digital painting. Leveraging Procreate 5's powerful brush engine, the set allows artists to create lifelike watercolor effects without a subscription. The collection includes versatile tools like the Flow Series for blendable edges, the Wash Series for soft shading, and the Flood Series for dynamic strokes and washes.

It also features special effect brushes like Bleed, Bloom, and Salt, along with Smudge Brushes and Masking Fluid for precise control. Complementary tools include realistic inkers, a colored pencil, and two premium watercolor paper textures for added authenticity, making it ideal for both traditional and experimental digital art styles.
