Global Crisis (Videohive 15512091) - AE Project: Global Crisis is a new dramatic template perfect for your excellent trailer opener or promotional. It comes with three durations, short 0:35, medium 1:20, and long 3:00. Additionally, in the template, you will find a fantastic Logo Reveal that is pre-made! This hardcore template is simple to use. All you have to do is upload the video and images, modify the text, colors, and render. Make your next trailer today using this template.

Great for openings for slideshows, news, trailers, Dynamic video displays, Fast-moving demos, Sci-fi films, high-tech promos, presentations that are technologically innovative promos, and amazing trailers.

How to change the text, colors, and rendering by editing the video?

You can edit your video using "Global Crisis" in After Effects.
