What is 175 Photoshop Wedding Actions By pmvch?

The "175 Photoshop Wedding Actions By pmvch" is a collection of 175 Photoshop actions created by a user or designer named "pmvch" specifically tailored for wedding photography post-processing. Photoshop actions are automated sequences of tasks and adjustments that can be applied to images to achieve specific effects or enhancements with a single click. In the context of wedding photography, actions are used to streamline and speed up the editing process while ensuring a consistent and professional look for the photos.

These actions can be applied to individual photos or batches of photos, making the post-processing workflow more efficient. Photographers can further customize and adjust the actions to suit their preferences and the specific needs of each wedding album.
