Atomic Sounds Ultimate Melodic Riddim Sample Pack:

Imagine blending the captivating essence of riddim with harmonious melodies – that's precisely what the ultimate melodic riddim sample pack delivers. Featuring an extensive collection of over 300 meticulously crafted sounds, this pack offers top-tier content, including drums, loops, bass loops, vocal chops, melodic riddim Serum presets, and much more! We dedicated months to perfecting this delivery to ensure the highest sound quality, ultimately assisting you in crafting your next hit track. All files are provided in 24-bit .wav format.

Please note that you'll need the latest version of Xfer Serum to utilize the presets.
