MotionVFX - mBadges Holiday:

The 30 Holiday-themed Badges for Final Cut Pro is a festive collection designed to add a seasonal touch to your video projects. This set includes 30 unique badges, each featuring custom icons that capture the spirit of the holidays. Ideal for creating holiday greetings, event promotions, or any festive content, these badges offer an easy way to infuse your work with a cheerful, holiday-inspired aesthetic, making them a perfect addition to your Final Cut Pro X toolkit during the season.
