**The Urban Glitch Intro** AE Project VH-22162105 is a dynamic After Effects template designed for creating fast-paced, contemporary video openings. With 28 media and title placeholders, it offers versatility for various projects such as special event videos, promotional slideshows, presentations, and more.

#### How to use templates to create quick videos in After Effects?

You can use "Urban Glitch Intro" to design your project.

**Featuring** a modular structure and compatibility with After Effects CS5 or higher, it allows for easy customization without the need for extra plugins.

Its features include dynamic rhythmic intros, full HD resolution, universal expressions, and a well-organized layout. While images and music are not included, helpful documentation is provided for user convenience.

#### "Urban Glitch Intro" Samples:

##### Package information

This After Effects project, last updated on June 22, 2021, is compatible with versions CC, CS6, and CS5.5. It includes various media placeholders ranging from 11 to 56 and corresponding text placeholders.
