

Multiscreen Slideshow (Videohive 48521291) - AE Project

2025-02-10 17:10:28 label 我要反馈 下载页面

The **Multiscreen Slideshow** offers a customizable Adobe After Effects CC (2015 and above) template with no plugins required.

How to create a multi-page slideshow?

You can use "Multiscreen Slideshow" to design your project in After Effects.

It supports Full HD resolution, universal expressions for all After Effects languages, and easy customization. With a duration of 00:58 seconds, it includes 30 text and 39 media placeholders, along with 24/7 free support. All settings, including colors, can be changed via the control layer. A PDF help file and links to free fonts are included for assistance.

Package information

This After Effects project was last updated and published on October 10, 2023, and is compatible with After Effects CC. It includes After Effects project files.
