

EST Studios Drum and Bass FX Pack

2025-02-10 16:40:32 [label](#) [我要反馈](#) [下载页面](#)

EST Studios Drum and Bass FX Pack: Take your production to the next level by adding these stunning FX sounds. Professionally designed and targeted at the contemporary drum & Bass producer, These sounds will allow you to add the final touches to help that track stick out in the rest. In particular, you will get over 213 MB of data and audio recorded at 24Bit and 44.1kHz. This includes Risers, Atmospherics Horns, impacts, transitions, etc.

EST Studios. Audio samples of professional quality loops, VST Presets, and Production Tutorials from the most renowned electronic music producers worldwide.

Necessary: This pack includes FX samples only. The other sounds you hear on the demo tracks are used for illustration only.
