

Flag Maker with Additional Effects 4K (Videohive 38527676) - AE Project

2025-02-10 16:38:47 [label](#) [我要反馈](#) [下载页面](#)

If you're seeking an appropriate flag background to use in your video production, then this template is perfect for you This template is a must! When you insert an image into this placeholder you can create an authentic flag in a few seconds and without plug-ins! By using the control panel you can include dust and scratches, smoke, and flames, however, you can alter the look by choosing one of the colors. You can also alter the position of the flag as well as the direction of the wind. The file is available in two versions. 4K and HD.
