**800+ Professional Logos Bundle CM - 6294374:** If your website requires the creation of a new logo or your customers wants one, did you ever have to design an appealing logo but couldn't locate the perfect solution? this package is the ideal solution for you.

We spent months working with our clients as well as professional designers to design the ideal branding bundle to suit various categories. The result was the largest and most impressive logo bundle we've ever made.

In total, you'll find more than 800 professional pre-made logos to help you design your brand new logo. Each element can be customized due to its original AI and EPS files that allow you to alter the shape, color size, and shape.

We've compiled our best logos, with stunning quality and fresh ideas to help you enjoy the process of designing logos. All you need to do is pick the one you want to modify your text and colors, and you're done! Your logo is able to be displayed everywhere, including on your website, T-shirts, business cards, and social media sites, among others.

- Get over 800 pre-made ideal logos for your project. More than 200 categories and A to Z letters Logos are included in this bundle
- It is easy to edit, modify and alter the size of any element without losing even a tiny bit of detail.
- Fully customize every vector using the AI and the EPS files.
- Logos are vector-based and fully editable
- Print ready
- High 300 PPI
- Very well layered and well organized
