Bobby Promotes (Videohive 2536452) - AE Project

2025-02-10 16:41:02   label 我要反馈   下载页面

How do some controls allow you to change the color of a 3D character's eyes, body, and teeth in After Effects?

You can design 3D characters using "Bobby Promotes".

Where can I download the product?

After subscription, You can download it for free from here.

- After Effects CS4 and above
- Full HD Resolution - 1920x1080 / 24fps / 40 sec
- No plug-ins required
- Fast render time - around 20 minutes on an I7
- The number of placeholders is 13. Make use of each card to show your content. To add your information, drag and drop it into the composition of placeholders.
- Some controls allow you to alter the color of the eyes, body, and teeth of the 3D character.
- You can alter the background color or render the project using a transparent background.
- There are 21 items included.
- It's possible to work with several accessories at once. (e.g., glasses, a cylinder-shaped hat, and a tie.)
- All colors of accessories can be altered. (e.g., replace the police hat body (e.g., change the eye-shade, body, and shine separately)
- There are places to place the badge and the sign (add your logo or text, image, etc.).

What is Bobby Promotes?

"Bobby Promotes AE Project" is a specific project or template created for Adobe After Effects, it might be a digital asset or a pre-made animation designed for users to customize and use in their own projects. Such projects are often created by designers and offered for sale or download on various platforms.
