Cyberspace Intro and Digital Transitions VH-36661920:

Digital Particle Effect:

- Create your intro/opener using your company's logo.
- You can design short and long-length transitions using your logo.
- Display your logo as an image in digital pixels
- Change colors
- The shape of the Switch particle (characters /binary / the shape of digits, squares, or circles)
- Change in size and amount of particles
- toggle or turn off rotation while flying through cyberspace
- One click can turn off Hi-Tech components
- One click to turn off glitch effects
- Transitions using an alpha channel (transparent backgrounds)
