Food Blogger Lightroom Presets By Arrtde: The Food Blogger Lightroom Presets Pack includes 6 professional Lightroom presets. These high-quality effects will make your images look professional and more professional. This Lightroom presets collection was created to help you achieve your best food photography skills. This Pack of Food is essential for food bloggers and food photographers.

You get all that and more with this pack! You can impress your customers with your food photos! In just one click, you can create the most popular styles. Presets are designed so that you can easily make changes to a particular image or create your own style.

It doesn't take a professional to use them! They are very easy to use. These presets can be used in just one click and are fully customizable to suit your style, taste, and lighting conditions.

These presets will be replicated as closely as possible in Lightroom & Desktop or LIGHTROOM mobile app.

Files included:

6 Presets Desktop for Lightroom 6 Presets Lightroom mobile 1 Help

Six Premium Presets were tested in Lightroom. They are 100% non-destructive. We have tested them on various photos and they produce amazing results. The installation instructions are included. Fully compatible with Lightroom 4, and both CC Versions. Compatible with Lightroom Mobile App (iPhone+ Android).
