#### Malinton - Display Sans Font Family:

The Malinton Display Sans Font Family is a dynamic and versatile font designed to enhance your creative projects with its distinct personality. With 9 different weights ranging from Extra Light to Black, it adapts to a variety of design needs, from bold, attention-grabbing headlines to more serious, professional statements.

The font's unique ink traps and playful emoticon alternatives strike a balance between modern structure and friendly appeal, making it ideal for branding, social media, and editorial content. Packed with OpenType features, variable font technology, and extensive language support, Malinton ensures both aesthetic appeal and readability, adding a touch of character to any design.

- 9 weights from Extra Light to Black
- Uppercase, Lowercase, Numbers, and Punctuation
- OpenType Features
- PUA Encoded Characters
- Extended Latin Character Set
- Supports 80+ Languages
- Free Emoticon Alternatives
