**The Color Lab – The Flora Collection:** Six stunning high-end actions. Inspired by the vibrant colors of spring, The Flora Collection is a journey down the rabbit hole, an enchanting world of soft pastel colors, delicate blues, and unicorn-iridescent hues.

You can run each step and watch the hues play across your images. It is possible to layer various actions, varying their opacities, creating your unique color mood. These actions were designed to be simple to follow and more flexible to alter and manipulate to allow you to create hues that stand out and are distinct to your vision!
