

Luxe Lace – Overlay and Action Collection for Photoshop

2025-02-10 16:47:17 label 我要反馈 下载页面

Include Luxe Lace overlays to all your images at the click of an icon! You can match your lace to any color you want to use in your photo and choose your preferred color or white or black. These overlays give distinctive flair for Valentine's Day sessions, Boudoir, Newborn, Maternity, Wedding, and a variety of other sessions.

In this collection are:

15 Luxe Lace 300DPI PSD Overlays

Five Luxe Applicator actions Each one can be customized to add color to lace, (heavy) white lace, (light) white lace, (heavy) black lace along with (light) white lace. You have the option of choosing your color and add texture in one click

Five single-click re-sizer/rotator steps for simple customization

Photoshop Tools like sharpening, resizing for the web, and much more for speedier workflow

Note: Unlike the PS version The PSE version is not equipped with its (Light) black lacing Applicator action since it's incompatible with PSE software. (Black Lace appears pretty the same).

This set is compatible with Photoshop CSS2-CS6, CC and Photoshop Elements 6-12
