Embroidery Sticker Photoshop Action - 92526074: Introducing the "Embroidery Sticker Photoshop Action" – your ultimate tool for effortlessly creating stunning embroidery effects on denim textiles in seconds. Elevate your designs with realistic patches and torn edges in various stitch styles and colours.

This versatile action is perfect for designers seeking to infuse their projects with a unique flair. With its multilingual support, it seamlessly integrates into any Photoshop interface. Plus, you can apply the action multiple times within the same PSD project, enabling endless embroidery compositions.

Key features include three distinct stitch effects – classic cross-stitch, chain stitch, and satin stitch – ensuring an option to match every design. Customize each stitched layer with a colour overlay, offering limitless possibilities for unique jean stickers.

With its user-friendly interface, achieving professional results is as simple as a single click. Whether you're a seasoned designer or a novice, this action streamlines the process, saving you valuable time and effort.

What's included:

- ANT File: Action file
 - PAT File: Patterns file
 - ABR File: Brushes file
 - PSD File: Template for quick start
 - PDF: Help file with font links and instructions
-
- Three embroidery effects
 - Compatible with big and small sizes
 - Multilingual support
 - One-click action for ease of use
