

# Cinematic Opener 3 (Videohive 52429243) - AE Project

2025-02-10 17:05:28 label 我要反馈 下载页面

The **Cinematic Opener 3** is a user-friendly customization experience, allowing for the addition of text, images, and videos before rendering.

### How to add text and images for project design?

You can design your project using "Cinematic Opener 3".

It necessitates the Element 3D plugin for functionality and offers two versions: an opener with a duration of 1 minute and 40 seconds, featuring 35 image placeholders and 41 text placeholders, and a titles version lasting 30 seconds with 14 text placeholders. While audio files are not included, they can be downloaded separately. Additionally, links to free fonts are provided, and preview videos are utilized solely for demonstration purposes under the CC by 3.0 license.

### Package information

This After Effects project, last updated and published on June 3, 2024, is compatible with After Effects CC. It includes After Effects project files and is ready for customization.
