Multiscreen Slideshow - AE Project VH-53321319:

Multiscreen Slideshow is a customizable Adobe After Effects project ideal for creating engaging presentations.

It is compatible with After Effects CC 2019 and newer versions and does not require any additional plugins.

The project features a Full HD resolution of 1920x1080 at 30 fps and includes universal expressions for compatibility with any language version of After Effects.

It is designed for ease of use, offering 29 media placeholders and 13 unique scenes, with a total duration of 37 seconds.

Users can easily modify colors and other settings via a control layer.
