WHAT'S SO SPECIAL ABOUT THIS LIBRARY?

Capturing the Heart of literary sounds is a Challenge. The seems we wish to portray only exist within our minds until we locate just the right things to document in an ideal way or make from scratch with synthesizers. Sometimes unexpected things occur, which may only be found Through experimentation.

It's gratifying to listen to our Finished sounds and watch them come alive before our inner eyes.

MUTATE ORGANIC claws the noises we put out to accomplish, but it May be used for a lot more because of its subjective components. As an Outcome For all of those, and hopefully for you too, it is going to tag together with a loyal companion For many audio design jobs to come.
