

Triple Vision Effect for Posters CreativeMarket

2025-02-10 16:37:32 [label](#) [我要反馈](#) [下载页面](#)

We believe that your gorgeous images should be multiplied more, the better! Particularly if it's done in an elegant fashion by reproducing the image in multiple Phantom overlays, each of which is colored in black and white. You can use this photo effect for posters of all vertical designs for a complete redesign of your graphics! This effect is suitable for all visual needs: from ad advertisements and posts on social media to small individual projects.
