Tess Gearhart - THE IVY PRESET PACK:

This preset pack is designed to give photos a timeless, cinematic, nostalgic, and effortless feel while preserving the natural colors and tones of the original image. Each preset caters to different lighting, scenery, and moods, providing artistic flair and easy customization with color grading. Highlights include Aurora Borealis Green for warm, backlit photos, Catastrophic Blues for a versatile cinematic look, Opal Eyes for bright bridal and editorial shots, I Miss Sparkling for a classic, filmy flash effect, and Black Lipstick for a matte, grainy black-and-white aesthetic. The pack aims to inspire creativity, confidence, and excitement in photography.
