

Smart Promotion Your Website (Videohive 36403927) - AE Project

2025-02-10 16:52:18 label 我要反馈 下载页面

Smart Promotion Your Website VH-36403927: The most efficient way to promote your website is to utilize this template! The unique promotional idea on your website or landing page is a unique and fresh motion design.

The Smart Promoting Your Site template can be used to show and promote the capabilities of laptops or computers or tablet apps sites, services and applications as well as to showcase its user interface. The templates are perfect for videos, screenshots, or animations of any type.

Web promotional is the sequel of the full-length series and it is entirely designed in After Effects. It's an excellent method to promote your new website or application! Simply upload a picture of your site onto your screen's placeholders. You can then modify the display and contents.

- FullHD (1920x1080) resolution available / 60 fps
- After Effects CC 2013. CCC 2015 CC 2016 and the CC 2017 version. 2018. CC 2019 C2020. CC 2021, the software has to include CC 2022 or higher.
- 0:43 min duration
- Two scenes that contain placeholders for the media (photos as well as screen-shots of your site's landing pages, or videos if you'd like) along with titles (you can write any message you like)
- 16.16 placeholders for media (photos and videos)
- Universal expression is available. You can utilize any software that can support the languages.
- No plugin is needed. 100% After Effect
- The font that is used in the preview isn't included, however, the links are contained within the PDF.
