Call Out Titles (Motionarray 854872) - AE Project

2025-02-10 17:11:13　　label 我要反馈　　下载页面

Call Out Titles is a creative template for After Effects. It sports a collection of richly designed and simplistically animated text cartoons that will differentiate your work in the masses. Just alter the text, color or stroke then you're ready to export. A simple to comprehend video tutorial is included. Add style to your own work, attempt Telephone Out Titles today! No plugins needed.
